# Be part of something BIG

Working in early years and childcare is unique and rewarding. You get to make a difference that lasts a lifetime by being part of a child's early education. No two days are the same helping young children to grow, learn and flourish.

There are many different roles for early years educators and lots of ways to get started.

## Work in a nursery or preschool

Enjoy a rewarding role with variety and options to progress. You'll get to work in a team, building relationships and making a real and lasting difference.

## Become a childminder

Be your own boss and make a difference while working from your own home. You can also get grants ranging from £600-£1200 to help you set up.

## You can also work in before or after school clubs

Combine great flexibility with the chance to share your passion with primary school children whether that's sports, music or nature.
